

SONOMA COUNTY RAPID RESPONSE **NETWORK** **LEGAL OBSERVER TRAINING** **PETALUMA**

Our network provides a way for people of goodwill to bear witness, accompany, and protect members of our community who are living through immigration enforcement and ICE raids.

Teams are forming across Sonoma County that will respond to calls regarding ICE raids made to a Sonoma County based hotline that will operate 24 hours a day.

We are a team of people in Petaluma who are trained to respond 24/7 to these raids. As a team member you will be trained to verify ICE raids and serve as a legal observer.

Please join us as and become part of the Petaluma rapid response team by participating in this legal observer training.*
