Vote-by-Mail ballots
This year, all registered voters in California will be sent a vote-by-mail ballot (If people prefer, they can vote in person instead). Ballots will be mailed to registered voters beginning October 5.

Return completed ballots by mail, drop box, or bring to a polling place:
By mail: ballots must be postmarked by Tuesday, November 3.

Drop box: ballots can be put in a secure drop box from Oct 5 through Election Day (there will be at least 20 locations in Sonoma County).

Polling place: ballots can also be brought to polling places including the Registrar of Voters Office (see following note about polling places).

For a list of drop box and polling locations see Sonoma County Registrar of Voters website or use this link: drop box and polling place locations

How to vote in person at a polling place (or return a vote-by-mail ballot)
This year, there will be fewer polling places, but more days to vote in person (or to bring in your vote-by-mail ballot). There will be approximately 30 polling places across the County.

For early voting or to drop off a vote-by-mail ballot, polling places will be open from 9:00 am to 5:00 pm:
Saturday, October 31
Sunday, November 1
Monday, November2

On Election Day (November 3) polling places will be open from 7:00am – 8:00pm

Important: This year, registered voters can vote or return their ballots at **any** polling place in Sonoma County. ([See list of polling places)](See list of polling places)

Where can students who live away from home register and vote?
Students who live away from home have two options. They can register and vote in their school community. Or, they can register at their home address but indicate that they have a different mailing address. To do this, they should call the Sonoma County Registrar or re-register online. They will receive a vote-by-mail ballot at their mailing address. For more information see:
http://campusvoteproject.org

How to track your ballot?
Tracking your vote-by-mail ballot—when it is mailed, received, and counted—Is a new option. The California Secretary of State is now offering Where's My Ballot?—a way for voters to track and receive notifications on the status of their vote-by-mail ballot. Sign up at https://WheresMyBallot.sos.ca.gov
to receive email, SMS (text), or voice call notifications about your ballot.
